**JOINT SUBMISSION OF AMENDED PROPOSED SITE VISIT ITINERARY**

Along with the limited trial in the Downstream case scheduled for October 25-30, 2024, in Houston, Texas, the Court intends to conduct a site visit on October 31, 2024. Pursuant to the Court's Order dated September 19, 2024, ECF No. 540, the parties submitted a joint proposal to the Court on October 16, 2024. *See* ECF No. 549. But consistent with discussions with the Court at trial, the parties hereby submit an amended proposed site visit itinerary as Exhibit A to this filing. As discussed, a member of the Department of Justice's support staff will escort the Judge, his law clerk, and a member of Plaintiffs' support staff to the Project Office from downtown Houston and escort them back for the return route to downtown Houston. And as indicated in our prior site visit filing, the Corps of Engineers will provide a caravan and Corps' staff to help facilitate the site visit, including for the Addicks and Barker Dam and Reservoir portion of the route.

Dated: October 29, 2024

Respectfully submitted,
